## WELCOME TO ANAGEN THERAPIES

A specialist electrolysis clinic offering permanent hair removal and a select range of specialised professional therapies to male and female clients. We provide confidential and effective treatments with proven results and professional advice in a friendly relaxed environment.

With over 25 years of experience, we specialise in electrolysis, which is the only proven method of permanent hair removal recognised by the British Medical Association.

Electrolysis works on all hair types and skin types and is the only effective, alternative solution to laser hair removal as it offers permanent hair removal whereas laser only offers permanent hair reduction.

We also offers skin therapies and body massage using Eve Taylor professional aromatherapy skin and body products who have over 50 years of skincare knowledge and experience delivering products that unite the very best of plant essences with the needs of the skin.
